Ballpark Developments Ltd
297 Breck Road
Merseyside

Dear Sir.

It gives me great pleasure in furnishing you with this reference after the excellent service Ballpark Developments recently provided.

As Silver Track Training is a provider of apprenticeship training to young adults it was imperative that all work was taken out professionally and by a competent contractor. I am very pleased to say that after requesting your quotation the selection of the building Company was based on the most competitive package offered by a contractor who could carry out all aspects of work required from legislative requirements through to delivery of and excellent finish and, very importantly to save any unplanned disruption, the work managed and completed on-time.

Silver Track has now engaged Ballpark Developments on three separate projects at each of our training centres being at Wigan, Hull and Ruddington in Notts.

Should you require any further information please do not hesitate in calling me on 07837 174044.

Yours faithfully.

A handwritten signature in black ink, appearing to read "M. Argent", is written over the typed name and title.
