Reference for Ballpark Developments Ltd

This is to confirm that Eldonian Leisure Ltd have recently used Ballpark Developments Ltd to refurbish the Eldonian Village Hall following extensive fire damage.

The total contract sum for the works undertaken by Ballpark was £350,000 and the contract ran for 30 weeks.

All works were completed on time and to both my satisfaction and the satisfaction of the assessor appointed by our insurers.

The workers employed by Ballpark managed to complete the contract in very difficult circumstances and successfully managed to balance the contract needs with those of the business needs of the Village Hall.

I have been very impressed by the company and have no hesitation giving them this reference. I will definitely use them again if I need any further work doing in the Village Hall.

Yours sincerely

Tony McGann O.B.E ; M.B.E.; M.A.(HC)
